

Summer Term 2

June 2023

Headteachers message

Welcome back and I hope you had a fantastic May half term break filled with fun and relaxation, enjoying the glorious weather which brings out the best in Cornwall. As we enter this new term, I can't help but feel an overwhelming sense of excitement. The summer term is always an exciting one with the school buzzing with anticipation of what's to come. I would like to wish our year 10 & 11 children who are sitting exams at the moment the very best of luck. I am so proud of you all and know, to this point you have tried your very best!

We have a few events planned over the next 6 weeks and I hope I am able to catch up with you all in person.

As always if you have any questions, concerns or want to share in celebration please do not hesitate to contact me.

Warmest wishes,
Daniel Stockton

Night Owl Tribe May 11th & 12th 2023

Travel and learn
 Realise your potential
 Improve yourself
 Believe you can achieve
 Enjoy the adventure

Who knows what lessons our students will have learnt and remember from this latest TRIBE adventure. It's hard to measure how much of an impact a trip like this will make, however from the responses and positivity from the students we certainly achieved the aims listed above.

Alongside the experience of preparing and paddling canoes to a wild campsite the student got stuck in to collecting discarded waste plastics as part of their mission. The camp included a barbeque, games, a night paddle and a very successful paddle back to the boatyard on Friday. Thanks to the Tribe guides and all who helped this trip to happen.
